11 **Special Condition #3:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Michael Wood allegedly violated special condition number 3 by ingesting controlled substances, methamphetamine, on or about January 1, 2025.

On January 2, 2025, Mr. Wood reported to the United States Probation Office. He submitted a urinalysis sample that tested presumptive positive for methamphetamine. He admitted last using methamphetamine on January 1, 2025. After further questioning about his use, he admitted to using every 2 or 3 days.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a warrant.

I declare under penalty of perjury that the foregoing is true and correct.
